GN Boat Coatings

Globalnavy over the years developed and keep manufacturing a wide range of coatings for the marine & offshore, yacht, protective and decorative markets among others. Globalnavy manufactures a full range of two-component epoxy and polyurethane based paints and varnishes, with excellent quality and performance. Developed high solids and solvent-free eco-friendly solutions, with engineering technology (HASTIE), achieving high performance and reducing the environmental impact.

GN boat painting systems have great anti-corrosive, weather resistance properties, excellent mechanical properties - adhesion, abrasion, impact and flexural strength, adding a good quality/ price ratio.

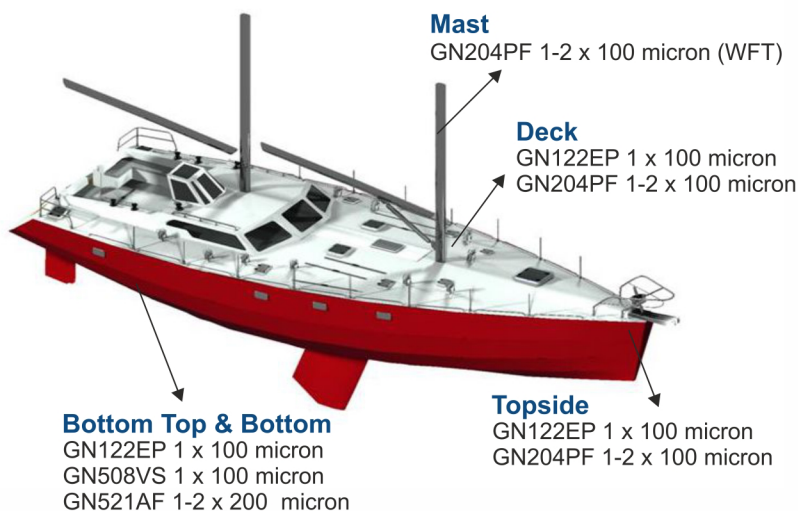

For sailors, boat owners and boat builders, we highlight three ranges: **GN Yachts** (fiberglass or wood); **GN Fishing Boat** (fiberglass or wood); **GN Fishing Vessel** (steel).

GN Yachts & GN Fishing Boat

FIBERGLASS

Globalnavy	Description
Below the water line:	
GlobalDur GN122 Epoxy Primer	Special anti-osmosis primer for GFR.
GlobalNyl GN508 Vinyl Sealer	Excellent sealer for antifouling systems.
GlobalNyl GN521 Antifouling	Ablative antifouling for prolonged protection against "fouling".
Above the water line:	
GlobalDur GN122 Epoxy Primer	Special anti-osmosis primer for GFR.
GlobalThane GN204 Polyurethane Finish	Glossy polyurethane paint. Excellent color retention, gloss and UV's resistance.
Anti-Osmosis Treatment:	
GlobalDur GN109 Epoxy Mastic	Solvent-free epoxy mastic. Excellent adhesion, fillability and flexibility. For surface filling/ leveling, joints and cracks.

Anti-Osmosis Treatment

WOOD

Globalnavy	Description
Paint: Below the water line:	
GlobalKyd GN330 Alkyd Primer FD	Fast-drying primer.
GlobalNyl GN508 Vinyl Sealer	Excellent sealer for antifouling systems.
GlobalNyl GN521 Antifouling	Ablative antifouling for prolonged protection against "fouling".
Deck:	
GlobalKyd GN330 Alkyd Primer FD	Fast-drying primer.
GlobalKyd GN310 Alkyd Multi Purpose Paint	Alkyd multi purpose enamel. High gloss and high resistance to UV.
Above the water line:	
GlobalSafe Skid Loads Type II	Non-skid additiv for deck
Varnishes:	
Globalkyd GN310 Alkyd Varnish	Marine alkyd varnish. High gloss and high resistance to UV.
GlobalThane GN207PV# Polyurethane Varnish	Polyurethane varnish, glossy (G), medium gloss (S) or matt (M). Excellent gloss retention, and UV's resistance.

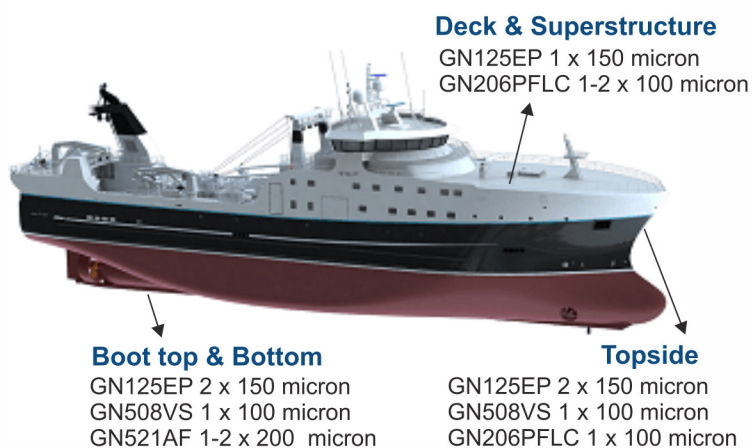

GN Boat Coatings

GN Fishing Vessel

STEEL

Globalnavy	Description
Below the water line:	
GlobalDur GN125 Epoxy Paint	Excellent multi-purpose epoxy paint converter and tolerant to moisture.
GlobalNyl GN508 Vinyl Sealer	Excellent sealer for antifouling systems.
GlobalNyl GN521 Antifouling	Ablative antifouling for prolonged protection against "fouling".
Above the water line:	
GlobalDur Gn125 Epoxy Paint	Excellent multi-purpose epoxy paint converter and tolerant to moisture.
GlobalThane GN206 Polyurethane Finish LC	Acrylic glossy polyurethane. Good gloss and colour retention.
Deck:	
GlobalDur GN125 Epoxy Paint	Multi-purpose epoxy paint converter and tolerant to moisture.
GlobalKyd GN330 Alkyd Primer FD	Fast-drying primer.
GlobalThane GN205 Polyurethane Finish	Polyurethane paint, with excellent color retention, gloss, abrasion, chemical and UV resistance.
GlobalSafe Skid Loads Type II	Non-skid additive for deck.

Note: Aluminum systems - consult Globalnavy.
